

# Benarty View Care Home, Kelty

A home that feels *just right*

Situated in the quaint village of Kelty, our care home has a warm and homely environment. It is close to local shops, public transport and the M90, making it easily accessible to visitors.

Our team offers residential care for those who require aid with daily tasks as well as nursing care for people with complex medical conditions. Residential and nursing care is also provided to those living with dementia.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities for residents within the home, and celebrate a variety of occasions throughout the year.

*“ The staff here are amazing and I can't recommend Benarty highly enough. ”*

## Our residents particularly like...

- Our new comfortable lounges.
- Being able to do some gardening in our peaceful garden.
- The smell and taste of home baking.
- Snacks and fresh fruits always available.
- Enjoying activities with other residents.
- Being able to add personal touches to their rooms.
- There is always someone to chat to.

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
