Brandon Lodge Care Home, Brandon

A home that feels *just right*

Our home is situated in a quiet, residential area surrounded by beautiful countryside in the village of Brandon. We are within easy reach of local shops and public transport, so visitors find it easy to pop-in anytime.

Our team offers residential care for those who need help with daily tasks and nursing care for people with more complex medical needs. We also provide respite care for those who would benefit from a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh, seasonal ingredients. We also celebrate a range of occasions throughout the year, with special meals and events, so our residents always have something to look forward to.

“ Grandma has been well looked after during her time in the home. ”

Our residents particularly like...

- Fresh, home baking every day
- Being pampered by our on-site hairdresser
- Refreshments always available
- Relaxing and socialising in our lovely garden
- The designated lounge for relatives to use during visits
- Enjoying the activities with residents and loved ones
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
