Brockwell Court Care Home, Consett

A home that feels *just right*

Our home is in a charming area, situated in the bustling town centre of Consett and surrounded by beautiful, expansive countryside. We are close to local shops and transport links, so visitors find it easy to pop-in at any time.

Our team offers residential care for people who simply need help with daily tasks, and for those living with dementia. We also provide nursing care for people with more complex medical needs, and specialist support for those with mental health conditions.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh, seasonal ingredients. In addition, we enjoy a variety of celebrations, events and activities throughout the year, so residents are never without something to do.

“ I am very grateful for all the hard work and dedication from the staff and manager. ”

Our residents particularly like...

- Regular visits from members of our local community
- Fresh, home baking every day
- Snacks and fresh fruit always available
- Being pampered by our on-site hairdresser
- Being able to add personal touches to their rooms
- Relaxing and socialising in our lovely garden
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
