# Charlton Park Care Home, Charlton

## A home that feels *just right*

**Our home is in a charming area, surrounded by beautiful landscaped gardens in Charlton Village. We are located close to local shops and bus stops, making us easily accessible for visitors to pop in at any time.**

Our team offers nursing care for those who have complex medical needs, and for those living with dementia. We also provide respite care for those who would like a change of scenery and good company, as well as allowing carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. We also enjoy a variety of social activities and celebrations throughout the year, so our residents are never without something to do.

*“ The residents in this home are treated with care, kindness and courtesy. ”*

### **Our residents particularly like...**

- ~ Enjoying our beautiful gardens
- ~ Snacks and fresh fruit always available
- ~ Home baking each day
- ~ Being able to add personal touches to their rooms
- ~ Our in-house hairdresser
- ~ Shared events with the local community
- ~ There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
