Gilmerton Neurological Care Centre Care Home, Edinburgh

A home that feels *just right*

Our home is situated in a quiet, residential area, surrounded by beautiful trees in Edinburgh. We are close to local shops and public transport, making us easily accessible for visitors to pop-in any time.

We focus on giving those with neurological conditions and brain injuries the best possible opportunity to change and grow as individuals, discovering and re-discovering ways back into a fulfilling life. Our care team is led by experienced and qualified Nurses, with a wider Multi-Disciplinary Team including Physiotherapists and NHS Lothian neuro-rehabilitation services. The service is supported with enhanced GP input and other healthcare specialists as required.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh, seasonal ingredients. We also enjoy a variety of events and activities throughout the year, designed for all interests and abilities.

“ My son is a very happy young man and he is well looked after. The staff are all really lovely. ”

Our residents particularly like...

- ~ Our lovely, on-site café
- ~ Relaxing in our beautiful gardens
- ~ Being pampered by our in-house hairdresser
- ~ Fresh, home baking each day
- ~ Refreshments always available
- ~ Always having someone to talk to
- ~ There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
