Kingfisher House Care Home, Newmarket

A home that feels *just right*

Our care home is situated in a quiet cul-de-sac, surrounded by landscaped grounds and just half a mile from Newmarket Town Centre. We are close by to public transport, making us easily accessible for visitors to stop by for a chat.

Our team offers residential care for those who need help with daily tasks, nursing care for people who have complex medical needs, and those living with dementia. We also provide respite care for those who would benefit from a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. For extra variety, we enjoy a range of activities and events throughout the year, so our residents are never without something to do.

“ Her carers are always kind and helpful and patient, encouraging her to join in activities. ”

Our residents particularly like...

- Our in-house hairdresser
- Home baking every day
- Being able to add personal touches to their rooms
- Movies in our own cinema room
- Free Wi-Fi throughout the home
- Snacks and fresh fruit always available
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
