

Four Seasons Health Care

# Park House Care Home, Wellingborough

## A home that feels *just right*

**Our home is situated in a pleasant, residential area, in the centre of Wellingborough. We are close to local shops and public transport, so visitors find it easy to stop by anytime.**

Our team offers nursing care for people who have more complex medical needs, and for those living with dementia. We also provide respite care for those who would benefit from a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. In addition, we also celebrate a range of occasions throughout the year, with special meals and activities.

*“ The staff are caring, and handle Mum's Alzheimer's in a professional and respectful way. ”*

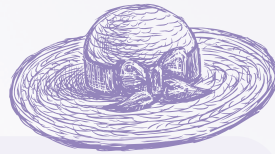

### **Our residents particularly like...**

- Fresh, home baking
- Refreshments always available
- Relaxing and socialising in our patio area
- Being able to add personal touches to their rooms
- Free Wi-Fi throughout the home
- There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
