

Four Seasons Health Care

Triangle Care Home, Wheatley

A home that feels *just right*

We are a small, friendly care home situated in the pleasant village of Wheatley. We are just a short drive from Oxford city, and close to public transport so visitors find it easy to stop by anytime.

Our team offers nursing care for those with more complex medical needs, and specialist care and support for those with mental health conditions or learning disabilities. We also provide intermediate care as a comfortable alternative to a hospital stay.

Our chef and catering team work to create meals that are both nutritious and delicious, using fresh seasonal ingredients. In addition, we also celebrate a variety of special occasions throughout the year, with meals, events and activities.

“ They treated the residents with dignity, respect, compassion, genuine caring attitudes and behaviours. ”

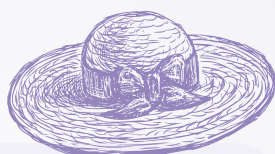

Our residents particularly like...

- Home baking each day
- Exploring our beautiful garden
- Regular visits from our hairdresser
- Snacks and fresh fruit always available
- Relaxing and socialising in our conservatory
- Adding personal touches to their rooms
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
