

Craigieknowes Care Home, Perth

A home that feels *just right*

Our home is situated in a pleasant residential area, with beautiful views of the city and surrounding country side. We are close to local shops and a short walk from public transport links.

Our care team offers nursing care for those who have complex medical needs and for those people living with dementia. We also provide respite care for those who would like a change of scenery and good company, or for carers to take a short break. Specialist care is also provided to those with mental health conditions.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. In addition, we celebrate a variety of occasions throughout the year, and offer a range of activities so residents are never without something to do.

“ The carers take time to speak to me, especially if I am upset. ”

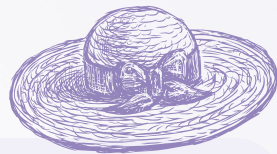

Our residents particularly like...

- Enjoying activities with other residents.
- Lots of day trips out with everyone.
- Relaxing in the comfortable lounges.
- Being able to add personal touches to their rooms.
- The smell and taste of home baking.
- Sitting out on the patio when the weather is nice.
- There is always someone to chat to.

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
