

Four Seasons Health Care

Tudor House Care Home, Cannock

A home that feels *just right*

Our home is situated in a lovely periodic building set in large grounds in a rural location in Cannock. We are close to local shops, public transport and the M6, making us easily accessible for visitors to pop-in for a chat.

Our team provides all types of care, including residential care for people who need help with daily tasks, nursing care for those with more complex medical needs and palliative care. We also provide respite care for those who would like a change of scenery, or for carers to take a short break.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

“ My auntie has settled in really well and seems happy and well looked after. ”

Our residents particularly like...

- The beautiful views looking out onto the nature reserve
- Sharing activities with local home Windsor House
- Our in-house hairdresser
- Being able to add personal touches to their rooms
- Refreshments always available
- Relaxing or socialising with good company
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
