Lansdowne Care Home, Cricklewood

A home that feels *just right*

Our care home is situated in a bustling, residential area in Cricklewood. We are close to local shops, and within walking distance of both the train station and bus stop, making us easily accessible for visitors to stop by any time.

Our team offers residential care for those who need help with daily tasks, nursing care for people with more complex medical needs and care for those living with dementia. We also provide respite care for those who would benefit from a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. For extra variety, we celebrate a range of occasions throughout the year, and run a busy activities programme within the home, ensuring our residents are never without something to do.

“ She is receiving the best possible care available which is a great comfort to all our family. ”

Our residents particularly like...

- Home baking each day
- Snacks and fresh fruit always available
- Relaxing and socialising in our conservatory
- Exploring our beautiful garden
- Our in-house hairdresser
- Being able to add personal touches to their rooms
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
