

Riverside Court Care Home, Maryport

A home that feels *just right*

Our home is situated on the site of Maryport's historic docks. Next to Ismay Wharf on the marina, and within walking distance from both the town and public transport, making us easily accessible for visitors to stop by.

Our care team offer both residential care for those who need help with daily tasks, and nursing care for people with complex medical needs and for those living with dementia. We also provide respite care to give loved ones a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities for residents within the home, and celebrate a variety of occasions throughout the year.

“ Their knowledge of the individuals in their care is outstanding ”

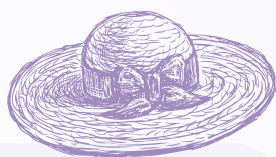

Our residents particularly like...

- The smell and taste of home baking.
- Relaxing in the lovely sensory gardens.
- The choice of sociable or quiet communal spaces.
- Snacks and fresh fruits always available.
- Free Wi-Fi throughout the home.
- Exploring the Ismay Wharf with friends and family.
- There is always someone to chat to.

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
