

Our people

We're a diverse group, from different backgrounds and with different roles, but we all have something fundamental in common – every single one of us is passionate about care.

It's almost like a sixth sense: people who are always on hand to help, but with enough empathy to know when to leave you be; people who don't have favourites, and who are always busy creating the little moments of kindness that make a real difference to life here.

As well as our team of carers and nurses, we have a weekly GP surgery in each suite, so residents wishing to see the doctor can do so. We also have local dentists, opticians and chiropodists who provide services to residents at the home. For those in need of pampering, our beautician and hairdresser take appointments every week. And everyone gets stuck in together – whether to serve breakfast or help out with an activity.
