Guthrie House Care Home, Edinburgh

A home that feels *just right*

Our home is a modern, purpose-built home, set in landscaped gardens, conveniently situated in South-East of Edinburgh. We are close to the A720 and to public transport links, making it easy to visit loved ones and friends.

Our care team offers nursing care for people who have complex medical needs, and intermediate care as an alternative to hospital stay.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities for residents within the home, and celebrate a variety of occasions throughout the year.

“ The staff are special human beings, so passionate and dedicated to what they do - providing excellent care to the residents. ”

Our residents particularly like...

- Shared activities with the local community .
- Fabulous entertainment programme.
- Enjoying activities with other residents.
- Relaxing in our tranquil garden.
- Fun trips into the city centre with everyone.
- Being able to add personal touches to their rooms.
- There is always someone to chat to.

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
