Headington Care Home, Oxford

A home that feels *just right*

Our home is located in a pleasant residential suburb of Oxford. We are situated close to the city centre, public transport and the M40, making us easily accessible for visitors to stop by anytime.

Our team offers nursing care for those who have complex medical needs, and those living with dementia. We also provide respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year, with special meals and events.

“ The whole place has a calm, loving and caring atmosphere which I could not fault. ”

Our residents particularly like...

- ~ Exploring and relaxing in our beautiful garden
- ~ Our in-house hairdresser
- ~ Home baking each day
- ~ Snacks and fresh fruit always available
- ~ Regular coffee mornings
- ~ Our sensory room
- ~ There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
