

# Park Lane Care Home, Stoke-on-Trent

## A home that feels *just right*

**Our home is situated in a pleasant, residential suburb in Stoke-on-Trent. We are close to beautiful open countryside and public transport links, so visitors find it easy to stop by anytime.**

Our team offers residential care for those who need help with daily tasks and for people living with dementia. We also offer nursing care for people who have complex medical needs, and respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

### Our residents particularly like...

- There is always someone to chat to
- Being able to add personal touches to their rooms
- The choice of sociable or quiet communal spaces
- Fresh, home baking
- Refreshments always available
- The range of exciting activities
- Socialising with other residents, relatives and friends

*“ The staff are respectful to the residents and nothing is too much trouble. ”*

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
